Teaching Experience

Developed/taught the following courses in Audiology at **Arizona State University**

Undergraduate Course

SHS 376/598 (3 credits) Psychoacoustics Spring 2006, 2007, 2008

Graduate Courses

SHS 589 (1 credit)	Audiology Grand Rounds	Fall 2006
SHS 522 (2 credits)	Hearing Conservation	Spring 2007
SHS 516 (3 credits)	Auditory Evoked Potentials	Fall 2006, 2007
SHS 519 (3 credits)	Auditory Paths. & Disorders	Fall 2008
SHS 511 (3 credits)	Auditory Perception of the Hearing Impaired	Spring 2006, 2008
SHS 502 (4 credits)	Basic Audiometry	Fall 2005, 2006, 2007
SHS 515 (2 credits)	Instrumentation & Calibration	Fall 2005, 2007

Developed and taught the following 8-weeks on-line course for **A.T. Stills University, Transitional Degree Program in Audiology**

AUD 890 (2 credits) Auditory Aging August 2006 to Present

Developed and taught the following courses in Audiology at **Wichita State University**

Undergraduate Courses

CSD 491 (1 credit)	Honors Research Project	Spring 2005
CDS 300 (1 credit)	Ant. & Physiol. of Speech. & Hear.	Fall 2000 (10 Class Sessions)
CDS 450 (3 credits)	Educational Audiology	Spring 1998, 1999
CDS 451 (1 credit)	Clinical Methods in Audiology	Spring 1999
CDS 452 (1 credit)	Beginning Practice in Audiology	Spring 1999

Graduate Courses

CSD 806 (3 credits)	Adv. A & P & Genetics of Deafness	Spring 2005
CDS 891 (1 credit)	Non-thesis Research	Spring 2003, 2004
CDS 890 (1 credit)	Independent Study	Fall 2004
CDS 890 (2 credits)	Independent Study	Fall 2002
CDS 855 (4 credits)	Pediatric & Educational Audiology	Fall 2001 to 2004
CDS 804 (4 credits)	Clinical Audiology 1	Fall 2000 to 2004
CDS 750F (1 credit)	ASHA Exam Review	Fall 2001
CDS 851 (2 credits)	Medical Audiology	Summer 2001 to 2004

CDS 886 (1 credit)	Practicum Aud Assessment	Summer 2001
CDS 885 (1 credit)	Methods and Aud. Assess.	Summer 2002
CDS 805 (3 credits)	Clinical Audiology II	Spring 2001 to 2004
CDS 858 (4 credits)	Electrophysiologic Audiology	Spring 2001 to 2004
CDS 860 (3 credits)	Amplification I	Fall 2000

Practicum Seminar: University of Kansas, 1995-1997

Developed and co-taught a practicum seminar for four semesters on topics ranging from basic auditory assessment to more advanced topics including otoacoustic emissions, medical disorders, and amplification. Information provided was across the age spectrum.

Guest Lecturer: Arizona State University

Intro. to Human Communication Disorders (SHS 105)	Fall 2005
Otoneurologic Applications in Audiology (SHS 520)	Fall 2006

Guest Lecturer: Wichita State University

Disorder of Human Communication (CDS 111Q)	2001 & 2005
Genetic/Organic Syndromes (CDS 519)	2004
Introduction to Diagnostics (CDS 510)	2001, 2002, 2003, 2004, & 2005
Teaching Seminar (CDS 940A)	2001
Advanced Selected Topics (CDS 940)	2002
Research Proseminar (CDS 995)	2001 & 2002

Experience with Graduate Student-Directed ResearchWichita State University:

Directed student research project (2004). *Nonorganic Hearing loss: Tests that deter and strategies used for its presentation*. This project was awarded the Margaret Byrne Sarricks Student scholarship by the Kansas Speech-Language-Hearing Association (KSHA) and was accepted for a poster presentation at the annual convention of the KSHA. Topeka, KS.

Directed student research project (2003). *Cigarette smoking and extended high frequency audiometry*. This project was awarded the Margaret Byrne Sarricks Student scholarship by the Kansas Speech-Language-Hearing Association (KSHA) and was presented as a poster session at the 2003 convention of the KSHA, Wichita, KS., and at the 2004 convention of the American Speech-Language-Hearing Association, Philadelphia, PA.

Directed student research project (2002). *Normative Data and Gender Variations for Extended High Frequency Audiometry*. This project was awarded the Margaret Byrne Sarricks Student scholarship by the Kansas Speech-Language-Hearing Association (KSHA) and was presented as a poster session at the 2002 convention of the KSHA, Kansas City, KS, and at the 2002 annual convention of the American Speech-Language-Hearing Association, Atlanta, GA.

University of Kansas: Committee member for the following graduate student Master's theses

Kautter, A. (1997). *Absence of gender effects in transient evoked otoacoustic emissions*. University of Kansas, Lawrence, KS.

Rice, T. (1997). *Clinical audiologic description of a listener with different etiologies of hearing impairment in different ears*. University of Kansas, Lawrence, KS.
